

# BECOME AN ADVOCATE

Be there for someone in crisis, either directly or indirectly, by providing support through McLean County's sexual assault program, YWCA Stepping Stones.

40 hours of free training is required for all volunteers. **Training is Tuesdays and Thursdays, September 19 - October 12 from 6-9 p.m. and Saturdays, September 23 and October 14 from 9 a.m.-5 p.m.**

After completing the 40-hour training, volunteers are qualified to help in many different Stepping Stones areas:

- Taking hotline calls
- Providing prevention education on anti-bullying, sexual violence, healthy relationships, privilege and oppressions, and more in McLean County to schools, businesses, or groups
- Provide support at public events
- Data entry and other office work
- Translating materials from English to Spanish and interpreting during counseling and advocacy sessions
